BANGALORE.

Sir,

In submitting herewith the report No 33 /28-29 dated 22-7-1928 from the President, Thirthahalli Municipality, I have the honour to state that the bye Laws in force in the Municipality provide for levying the Octroi duty on tobacco at the rate of Rs1/- per maund, and that the council at their meeting held on 12-5-1928 passed a resolution to the effect that the present rate of Octroi on tobacco imported into the Municipality was too high and might be reduced to 0-8-0 , as this reduction could be an inducement to the dealers in tobacco to import larger Consignments which would, therefore, bring in comparatively more income to the Municipality.

A copy of the bye laws now in force in the Municipality is also enclosed.

It is requested that sanction may be kindly accorded to the resolution of the Municipal Council proposing to reduction of Octroi for tobacco from Rs1/- to 0-8-0 per maund.

I have the honour to be
